12
13 export default App
```

The screenshot shows a browser window with the URL `localhost:5173/react-mock`. The main content of the page is a dark-themed interface featuring a black SUV image and some course information:

- Mode is : Online**
- Fees is : 5000**
- Course is : FULL STACK**
- Rating is : 4.3**
- Duration is : 4**

Below this content, there is a large image of a black SUV.

The browser's developer tools DevTools panel is open, specifically the `Elements` tab. It shows the React component tree for the `Profile` component:

```
* {info: {}, children: Array(2)} ①
  ↳ children: Array(2)
    ↳ 0: {$typeof: Symbol(react.transitional.element), type: 'hd', key: null, props: {}, _owner: FiberNode}
    ↳ 1: {$typeof: Symbol(react.transitional.element), type: 'p', key: null, props: {}, _owner: FiberNode}
      length: 2
      [[Prototype]]: Array(0)
    ↳ info:
      course: "FULL STACK"
      fees: 5000
      name: "Qspiders"
      mode: "Online"
      photo: "/src/images/x7.jpg"
      rating: 4.3
      [[Prototype]]: Object
      [[Prototype]]: Object
      ↳ [ctrl] ⌘ to turn on code suggestions. Don't show again
```

The DevTools also includes tabs for `Console`, `AI assistance`, `Animations`, and `Issues`.
